By picking up this application, you are one step closer to becoming a dedicated Interactor and making a difference in the world. Interact club is community service based, but we also commit ourselves to an international cause each year. Through various fundraisers and charity events, we raise thousands of dollars to help people all around the world. Last year, Interact Club raised over $100,000 for Shelterbox, an organization that gives aid to countries stricken by natural disasters. Join us and you can help make dreams real.
