The United Nations Children’s Fund, UNICEF, was formed by the United Nations in 1946 in order to provide and preserve the rights of children. Today, UNICEF continues to uphold these principles as an internationally recognized and respected non-profit organization, aiding women and children through shelter, health care, protection and education.

As a member, you’ll help us fight against poverty, disease, and for the basic rights and needs of women and children around the globe. We hope you’ll share the same passion for helping those in need! UNICEF meets every Tuesday. Freshmen and sophomores will be in Ms. Phillips’s room (F-16), while juniors and seniors will be in Ms. Kuhn’s room (F-16).

To join, there is a $5 membership fee, and to actively continue as a member in the following semester, members must participate in a minimum of 4 activities. Visit our website at phhsunicef.tk!
